

SURROGACY AGENCY QUESTIONNAIRE

Important questions to ask any potential surrogacy agency before signing with them for your surrogacy journey.

Agency Name:

How long has this agency been in business?

Notes:

Has this agency ever been sued? For what?

Has this agency ever operated under a different name?

If so, why did they change their agency name?

Who will be your main point of contact within the agency?

Is the agency available 24/7 or only during business hours?

Will you and your IPs have separate dedicated case managers?

SURROGACY AGENCY QUESTIONNAIRE

Does the agency require you to work with certain lawyers?

Notes:

What does the agency's benefit package include?

Does the agency allow the surrogate to negotiate fees?

How does the matching process work?

What kind of timeframe can be expected for matching?

What happens if a match doesn't occur within that timeframe?

What happens if a match falls through?

SURROGACY AGENCY QUESTIONNAIRE

What does the surrogate screening processes entail?

Notes:

What happens if a surrogate does not pass screening?

Who holds escrow for this agency?

What kind of support does the surrogate receive?

Does the agency offer an online group for surrogates?

Is there a psychologist on staff?

Is a psychologist available if/when needed?
